

Prawnto Maintenance

*Maintenance on your Prawnto is simply **Ordering #539***

The **Tune-Up Kit** can be purchased as a single unit (#539) or as individual pieces.

The kit contains active processing parts that show wear over time. We recommend you purchase the full **Tune-Up Kit** at the time of your initial purchase to avoid interruption in your company's production later.

Prawnto **Tune-Up Kit** Contains:

Part	Description	Cost
#310S	Stainless Steel Serrated Blade	\$48.00
#313	Set of 2 Feeder Discs	\$30.00
#314	Roller Disc Set-Up	\$33.00
#432	16" Belt	\$10.00
#504	Roller Shaft	\$25.00
#427	Seal Washers (Kit includes 3)	\$1.10
#434	Space Washers (Kit Includes 4)	\$0.25
#539	Tune-Up Kit	\$145.00

International customers, please consider, the addition of a **Tune-Up Kit** with your initial order will add virtually no shipping costs. Shipping a kit at a later date will significantly increase the cost due to minimum weight charges on each order.
